Reading

Reading will always be a focus at THS to develop children's fluency. We are 'School Readers' registered school and are still looking for volunteers. Please click on the link <https://www.schoolreaders.org/> for more information.

Also, could you ensure please that you read with your child, as often as possible, ideally 15 minutes each night? The time spent reading with our children is invaluable. Reading journals and reading books need to be in each day. If you need a new reading journal, please inform your child's class teacher. If children are not reading at home, they will have to read in their own time in school.

Please remember to make final payments toward the Christmas Panto.
