It's great to see our playground taking shape. Please be mindful and stay clear from all equipment and please do not let younger children wander to the area. We have had a good week this week and have enjoyed learning all about climate change. Today is Family Fast Day, A day run by CAFOD. The Focus this year is Go Green! And be a veggie for a day! If you wish to know more please visit <http://cafod.org.uk> for the go green challenge. Year six had a great time with their on-line tutors this week, this is a fabulous opportunity for children to receive personal tuition at their level. We have also joined the National Tutoring Program and sessions will begin in year 5 from Tuesday. School have also invested in Reading Plus all children will have the opportunity to develop their fluency and love for reading.
