Talking Teens Parent Group

Information
for parents
and carers

What is Talking Teens?

Teenagers are rewarding, stimulating and fun, but being a parent of one can be stressful and challenging.

The Talking Teens Parent Group helps deal with those challenges so you can have a calmer, happier family life.

A tried and tested Programme, it helps us think about what we do, why we do it and how it makes us feel and looks at questions that many parents have, like:

How can I stop my child always getting the last word?

Why do they always sleep in so late?

Can I do anything to help them argue less?

What's normal?

Why don't they want to tell me how they're feeling?

Inside every teenager is a child and an adult

You'll get the most out of the Programme if you come to all four sessions.
