21st January 2022

I can't believe we are in the last week of January already, I hope you have all had a good start to 2022. Thank you for your support.

Please remember to bring reading books and journals into school every day. Reading ages are being assessed this week, look out for good news home letters about your child's reading progress. This week we are praying for **Christian unity** to be accountable for each other and work together as we strive for Justice, Peace and Love. Please pray with us on Holocaust Memorial Day on the 27th January.

Homework

Please continue to support your child with their homework. This provides time for your child to practise skills they need to become life-long, confident learners. You can help us by: develop routines, read with your child each night. Practice times tables and spellings. Visit class pages for further links.
