Maths Week was a huge success, thank you to all those parents who attended, your children really enjoyed sharing their learning and it was lovely to you all. Some of our children in year 3 joined other primary school children this week for Maths at Victoria Road, we are so proud of them. Amethyst class went on their travels to crucial crew and enjoyed learning all about keeping safe.

Science week we will be encouraging our children to be inspiring scientists throughout next week. Children can visit our science shop at break and lunch times products cost 50p to £2.00. Thank you to Mrs Naik for organising it for us.

Welcome to Miss Hodgson, our new governor. Miss Hodgson has been into school to led CAFOD assemblies to both Key stage 1 and 2. Miss Hodgson will also be supporting Amethyst class with Prayer and Liturgy and leading workshops with our children in the future.

Lent As we journey through Lent, children will be fundraising for CAFOD and taking part in "Walking to stamp out hunger" all contributions will be gratefully received. We will keep the children and families in the Ukraine in our prayers and hope for peace in these troubled times.

Due to Maths Week and the hall being used, our achievement celebration assembly will be on Monday 11 March.

School trips Staff are trying hard to book summer trips but we need numbers from each class before we can do so. Time is running out! Your children will come home with a return slip on Monday if you haven't replied please return your slip on Tuesday so that we can check availability of companies and secure a booking as soon as possible.
