8th July 2022

A short newsletter this week. Please note that achievement assembly for this week will be on Monday 11th July at 2.30, due to KS1 being at Delamere today.

Congratulations to all our year 6 pupils who received their SATs results I am immensely proud of them all. They worked so hard and deserve the recognition, despite the pandemic and gaps in their learning, they have made fabulous progress. I want to thank staff and parents for their incredible hard work this year to ensure our children achieved well so they can access the curriculum in KS3 and move to high school with confidence.

Thursday 14th Year 4 and 5 Amethysts class will be visiting St Chads for a science event day.

Mr Foster tested positive for Covid last Sunday, therefore, has not been in school this week. He will send a letter out regarding Sapphires trip to the Catalyst museum as soon as possible. There will be no charge for the trip so we only need parental permission to take them. Further details of the trip regarding times for dropping off and pick will be sent home early next week.

Miss Winder will be sending letters out shortly regarding Amethyst trip to Liverpool.

18th and 19th July we are having transition days for pupils to meet their teacher in September.

Just a reminder

- After-school wrap around club in September will be replaced with afterschool clubs suggested by your children.
- The school day will be extended in September to allow for 32.5 hours. Further details will follow after our Full Governing Body Meeting
