Please continue to read with your child for at least 10 mins every day, as well as reading them at least one story daily. In your home-study pack there will be a blue book, in which your child could record their learning, as well as letter formation booklet, if we feel they still need to practise the correct letter formation. For Reception children, feel free to use the **Early Learning Goals** as guidance to set up your own activities - aiming to develop those skills. If you have any question, please don't hesitate to e-mail me or ask me a question via ClassDojo.

Best wishes,
Mrs. Crabbe
